Arf Arf!!! Welcome to YEG-PAH

This is the first ever edition of the YEG PAH UWU and we are super excited to be sharing it with all of you. This will be coming out every month to share some pictures and info about past events, any news about the group, and outlining any future events that we have planned.

In October, we interviewed and elected a couple of new members to the board. All the wonderful pets that applied did a great job and had some awesome ideas. Please join us in welcoming Pup Link and Pup Oars to the board.

We are working on some exciting changes that will be reflected this year. We will be announcing the changes as they come but you can expect some new fun monthly events and more chances to embrace your inner pet.

As always, we welcome new members to our group so if you have any friends/family that are wanting to join YEG PAH, please direct them to the website for membership information and the Woof Yard Chat on Telegram.

Past Events

In October, we chased some tails around the Edmonton Corn Maze. It was a day filled with 'corny' puns but was a blast none the less and everyone had a great time.

November's Mosh was a great success and we had a special guest join us to teach us about some bootblacking for the leather community. Everyone enjoyed having Bootblack Monster in attendance. Bootblack Monster was able to express the care of leathers in a way that was so poetic, it made it sound so sexy.

Decembers Pet-mas potluck/mosh was a first-time event for the group. It got everyone together to celebrate the holidays a bit early and had fun with taking naughty pics with Santa-Bear. So happy to see everyone show up and can't wait for next year to do it again.

More News

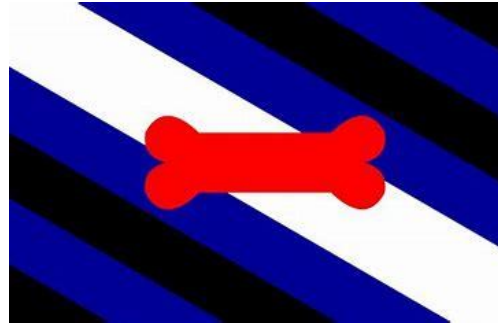

We've had more members join YEG-PAH recently and can't wait to see more join. Please remember that YEG-PAH and the Woof Yard are both 18+ and NSFW we need to restrict minors currently. Some events can have underage visitors but please speak with the board members to verify before.

Handle every situation like a dog:
If you can't eat it or play with it,
then just pee on it and walk away.

Hope everyone had wonderful holidays and you should have all ended up on the knotty list hehe.

Board Gone Abroad

Our trip to Seattle was short, but simply wonderful. We had an absolutely inspiring time hanging out with SEA-PAH, getting into a little mischief, and getting to taste the PAH life in a bustling city. It was truly and awesome experience that made me realize the incredible kindness and hospitality that pets and handlers share, no matter where you are. I hope we'll have the chance to return the favour and create a similar experience in the near future. -Pup Funk

In November, 3 members of the YEG PAH board took a trip down to Seattle to take part in some of the SEA PAH events. It was a way for us to build community relations with other PAH groups as well as a way to see how they run their board and to learn about the events that they offer their community.

Being able to go down to Seattle with Kuba and K9, and getting to meet a bunch of the board members as well as the community members was an amazing experience. Everyone there was so welcoming, and we had an incredible time. Being invited to be a guest judge for their Best in Show competition was one of the highlights of the trip for me. -Pup Link

For the first time going to the States, and first time using my passport, it was an experience I won't forget. SEAPAH was a marvelous group to meet and was heartbroken to leave. Highlights of the trip: The drive, being pulled over at the border, Link being a judge, getting flogged, the monorail, and meeting the SEAPAH Board. Can't wait to go back sometime <3 -CanadianK9

Advertising/Pets of Distinction

If you have anything that you would be interested in advertising, we are willing to post information to help get your name out with the newsletter.

This can include shows, art commissions, crafting sales, etc. It will need to be board approved and MUST be legal. Please contact Pup Link, Or any of the board members, with your information and request for advertising so that it can be presented for approval.

Also, if any pets in the group have been good bois/gurls, and need to be commended, please let us know so that we can give them a howl and show the community how paw-some they are. Our community grows as we grow so lets build each other up. Send Pup Link a message if you would like to give a howl to anyone.

If you want to collaborate your group with YEG-PAH, let us know and we can see what can be done.

Feedback?
