Arf Arf!!! Welcome to YEG-PAH

ARRROOOOOO!!!! Second edition of the YEGPAH UWU!!!! Hope you are all enjoying this little project I have started. Pup Play is extremely important to me, and I really like that I can help get the word out about how incredible this community is. As the 'editor in chief' of this little pup-lication, please let me know if there is anything you want changed, added, discussed, or anything in general.

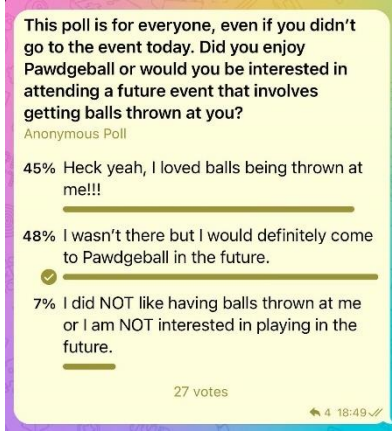

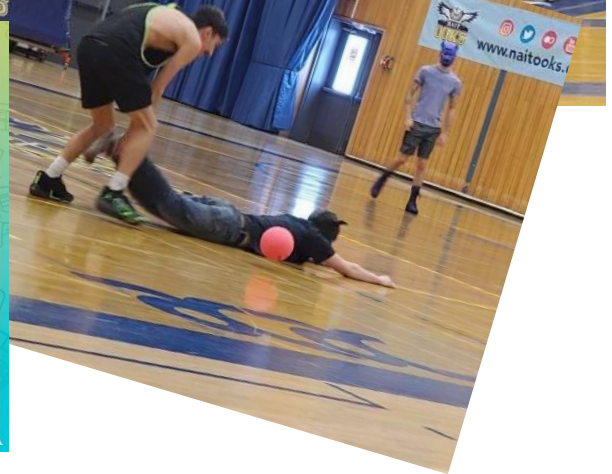

As always, we welcome new members to our group so if you have any friends/family that are wanting to join YEG PAH, please direct them to the website for membership information and the Woof Yard Chat on Telegram.

Past Events

PAW-DGEBALL!!!!!!!!!! January's main event was a bunch of pets and hooman's throwing balls at each other. It was a great success and everyone that was in attendance had a blast, although they were all complaining about being sore afterwards. Next time, we will make sure to stretch better before playing. As always, we are interested in new ideas/venues for events so if you have anything in mind, contact one of the board members.

More News

We've had more members join YEG-PAH recently and can't wait to see more join. Please remember that YEG-PAH and the Woof Yard are both 18+ and NSFW we need to restrict minors currently. Some events can have underage visitors but please speak with the board members to verify before.

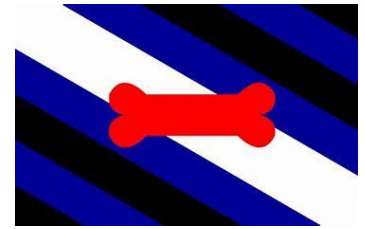

Memberships

Reminder that memberships for YEG-PAH are yearly renewals. See the website for details on how to renew your memberships and message a board member if you have any questions.

It's been awhile since pups have crashed a party so what better than the Leather Feather and Fur event at the bar. We were able to howl and cheer for a few of our members performances (Including one of the board members who managed quite the magic act like pulling a rabbit out of a hat).

Advertising/Pets of Distinction

If you have anything that you would be interested in advertising, we are willing to post information to help get your name out with the newsletter.

This can include shows, art commissions, crafting sales, etc. It will need to be board approved and MUST be legal. Please contact Pup Link, Or any of the board members, with your information and request for advertising so that it can be presented for approval.

Also, if any pets in the group have been good bois/gurls, and need to be commended, please let us know so that we can give them a howl and show the community how paw-some they are. Our community grows as we grow so lets build each other up. Send Pup Link a message if you would like to give a howl to anyone

Learning Resources

New to pet play? Or just wanting to get more information? Here are a couple good resources for Pup Play.

Other Kink Groups

Did you know that YEG-PAH isn't the only kink-based group in Edmonton. We collaborate with other groups occasionally to expand our members' interests and to diversify our event types.

If there are any specific kink groups you are interested in, feel free to contact the board or any members of the group to see if they have information about the groups.

If you want to collaborate your group with YEG-PAH, let us know and we can see what can be done.

Feedback?

Hey pets, please remember that the board is in place to make the group run smoothly but we are also there to make sure the group is the best possible PAH group ever so if you have any concerns, feedback, event ideas, or just wanted to discuss anything, please reach out to any of the board members. All of us can be reached via Telegram from the Woof Yard chat or thru email at woof@yegpaw.com
