Arf Arf!!! Welcome to YEG-PAH

AWWWWOOOOOOOOOO!!!!!!! PRIDE MONTH IS UPON US!!!!!! Pride means a lot of different things to a lot of different people. For some, it is a celebration and being proud of who they are. For others, it is a reminder of the constant battle that is being fought for our rights in the 2SLGBTQ+ Community. It doesn't matter what your reasons are, as long as we stand together as a community, we will stay strong.

Past Events

Monthly Munches: We tried a new restaurant again in May. This time we made our way back to school and had our munch at Dewey's on the UofA Campus. We are going to be trying a few different restaurants until we can decide on a forever home for the munches. If you have any suggestions, please let one of the board members know.

Fly Your Colours: OMG What an amazing show we had and did an incredible job raising money for the CHEW Project. The performances were incredible, and the silent auction was a hit with the kinksters. The show was able to raise \$1425 for the CHEW Project. We are so happy with how the community has come together to support this cause. We had pets from the group as well as pet-adjacent folks come out to perform and they all did such an amazing job. Thank you all for your love and support.

May Walkies: The first walkies of the year happened in May. Pets dusted off their leashes and collars and made their way down to the trails to go for some fresh air and cookies.

Future Events

We have some fun coming...

As always, our MONTHLY MUNCH will be held on the first Wednesday of every month from 6:30-8:30pm. The location of the munch may change periodically but we will ensure notice is given if we do change.

We will be hosting our Annual General Meeting soon to go over some business and discuss changes happening within the board/group. This group is run by the board but is based around your opinions as well so if you want to see some changes, make sure you come to the meeting and be involved in the community.

June is Pride Month so there are going to be a lot of pet crash opportunities so keep an eye out on the Howler and Telegram chat for when/Where we will be crashing parties.

Your board members are also looking at getting some events happening including our yearly birthday bash BBQ, some more moshes, and some pet swims. As always, if you have any other events you would like us to look into, feel free to message the board with your ideas.

Upcoming Events

All of our future events will be posted with as much notice as possible with hopes that as many people can attend as able.

Dates/Times may change but we will make sure to give as much notice as possible.

If there are any ideas you have for future events, feel free to contact the board to let them know.

REMINDER: YEG PAH and the WOOF YARD are both 18+ and NSFW so we need to restrict minors from attending either. If there are any events that allow for minors, we will let you know.

Community Events Page

Bears can be pets too right? Check out FAB's website to see all of their events. They are extending welcomes to PAH members to attend many of their events as well.

Other Kink Groups

Did you know that YEG-PAH isn't the only kink-based group in Edmonton. We collaborate with other groups occasionally to expand our members' interests and to diversify our event types.

If there are any specific kink groups you are interested in, feel free to contact the board or any members of the group to see if they have information about the groups.

If you want to collaborate your group with YEG-PAH, let us know and we can see what can be done.

Feedback?

Hey pets, please remember that the board is in place to make the group run smoothly but we are also there to make sure the group is the best possible PAH group ever so if you have any concerns, feedback, event ideas, or just wanted to discuss anything, please reach out to any of the board members.
